

WHAT THE WORLD NEEDS NOW

IS MORE BRANDS WITH A PURPOSE

FIF

FIF means “future is female”, it is a 100% feminist soft drink. The purpose is to support women in their struggle for gender equality and the fight against male oppression. This is a brand that seeks to give encouragement, value and empowerment to women, as well as taking care of them.

MURTILLA

RICH IN
Antioxidants
RICH IN

100% natural

future is female

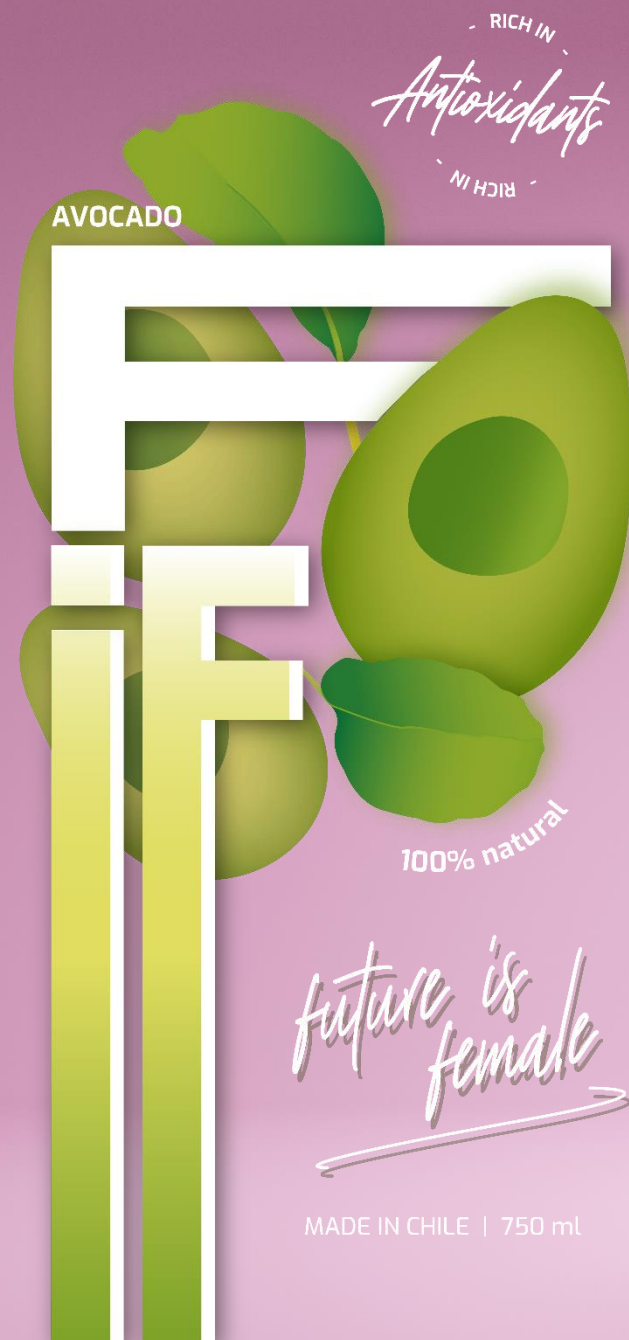

MADE IN CHILE | 750 ml

- Murtilla is a berry that grows only in South America, it is very sweet and is known as a "Super Berry" because it is high in antioxidants (polyphenols) that help protect the body from free radicals. It is also anti-inflammatory, analgesic and generally healing.

- Maqui is a berry that grows naturally in Chile's Patagonia region, it is also known as a "Super Berry" for its high antioxidant power, also it helps control blood glucose levels and decrease LDL cholesterol levels.

- Avocado is a globally popular fruit recognized for being a super food, it is high in antioxidants, nutrients and it is also a powerful energy food.

- Promotional Poster

- These fruits were selected because they are powerful super fruits with elements that enhance our intelligence and physical energy, also it protects the entire metabolic system, and that is how this flavors supports and empowers women.
